

Dates and Registration

For more information or to register, please call Carl Heideman at **616.355.2850**. He will discuss your background and project to properly plan for the seminar.

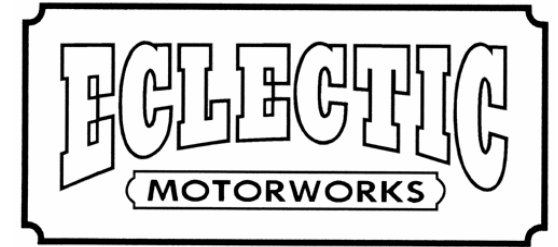

Participants should bring their own safety equipment, including a welding helmet and gloves, clear full-face shield and ear protection.

Seminar Dates

Seminar dates are listed on the Eclectic Motorworks website at:

www.eclecticmotorworks.com/events.html

If you would like to request an alternate date and/or location for a seminar, please contact Carl.
